How to Find the Right Mentor

In what area of your life are you looking for a mentor? I've had business mentors, fitness mentors, relationship mentors, etc.

Make a list of potential mentors for each dream or area of your life you have decided on.

Write down everything you know about these potential mentors.

If you don't know them personally, do you know someone who knows them? Maybe they can arrange an introduction.

Contact your potential mentor by phone or in writing with a brief proposal or request.

Meet them. Thank them commenting on something specific they helped you with.

It's a Wonderful Life

-

By learning the principles of success you are doing what only a tiny percentage of people ever do. Once you understand these principles and start applying them consistently and persistently, you will start creating a life few people get to live.
