

The Champion's Creed

Read this every morning with passion and energy while looking at yourself in the mirror and you are guaranteed to have a better and more productive day.

I am a champion.

I believe in myself.

I have the will to win.

I set high goals for myself.

I have courage. I never give up.

I surround myself with winners.

I'm cool, positive, and confident.

I'm willing to pay the price of success.

I love the struggle and the competition.

I stay relaxed and in control at all times.

I focus all my energy on the job at hand.

I vividly imagine that victory will feel like.

I am a champion and I will win.
