

Video 15 - Dream, Struggle, Victory

Discussion Questions

1 - What happens when we decide to pursue our dream? Why do we always win by taking the journey?

2 - (Pair and Share) Tell the person next to you about a time when you did something that was really hard. Something that seemed impossible at first, but when you stuck at it, you realized that you could do it all along.

It could be anything... maybe it was selling Girl Scout Cookies or selling popcorn for Boy Scouts door to door in your neighborhood. Maybe it was being able to run a mile without stopping.
