

# Video 35 - The Power of Being Flexible

## Discussion Questions

**1 - Why is it important to be flexible in our approaches to reaching our goals?**

**2 - Why isn't it a good idea to focus on what "should be"?**

**3 - (Pair and Share) Why are admitting you were wrong or admitting you made a mistake signs of courage and character?**

**Tell the person next to you about a time when someone you know made a mistake and admitted they were wrong.**

**How did you feel about that person after they admitted they were wrong?**
