Topics - Sales Kickoffs, Leadership, Change, Inspiration, Teamwork

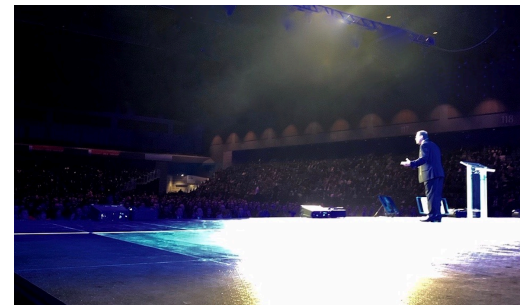

Ruben Gonzalez is a common man who achieved extraordinary things. He wasn't a gifted athlete. He didn't take up the sport of luge until he was 21. Four years and a few broken bones later, he was competing in the Calgary Winter Olympics.

- Spoken for over 100 Fortune 500 companies.
- Wall Street Journal & USA Today bestselling author.

Ruben's story takes people's excuses away and fills them with the belief and inspiration to face their fears and fight for their goals.

People buy into what Ruben teaches because they can relate to him. The most common comments after his presentations are, “He's so real. He's so genuine.”

Ruben will inspire and equip your people to win.
