

Clarity in Finding Your Soulmate

Having clarity on what's important to you is key to **any** goal setting.

It protects you from spending years climbing up the wrong ladder.

No matter what my goal is, I take the time to know exactly what I want and what I don't want.

I use that approach for everything.

I write it down and read it daily to condition my mind to help me make decisions that are aligned with my goals.

I'm even using that approach for finding the right woman for me - my soulmate. ❤️

As you can see below, I turned mine into a short prayer.

You can use a similar template for any of *your* goals.

===

Lord, help me to be patient and to wait on you, as you help me find my ideal lady.

Help me to not settle for good, but to wait for the best lady you have in store for me.

I need someone who's caring and supportive, who always has my back, and who gives me the strength to be my best.

A special lady who encourages me when I'm fighting for my dreams.

A lady who's affectionate, loves holding hands, caressing, dancing, and more.

Lord, help me find a lady who's warm, friendly, and easygoing.

Someone who's kind and optimistic.

Someone that I can always count on, and trust.

A Christian lady with good character.

Someone who takes care of herself, stays fit, and always looks great.

A lady who enjoys doing the same things I like to do.

A lady who's soul is aligned with my soul.

Someone who'll bring peace and calm into my life.

A lady who'll make me want to come home to, because she makes my home a warm, loving place.

Lord, you're my provider, my companion and my guide.

I trust you and I'll rely on you for my special soulmate, the lady who'll be my best friend.

In Jesus' name, Amen.
